Products may differ in size, colour and appearance to those shown. If you require further information or customisation, please contact us directly.

Protection class	IP20
Temp. range min	-30 °C
Temp. range max	60 °C
Temperatures during install.	-5°C - 60°C
Voltage	400 V
Current	30 A
External dimensions LxWxH	90x54x25mm
Type	99991
Product Color	transparent
Packing unit	1
UK-Number	99991
WISKA-Order no.	10111811

Remarks:

WISKA installation box with various mounting options. Also suitable for protected outdoor installation.
The soft box housing ensures good fastening even on uneven surfaces due to its flexibility. Nevertheless, the box remains dimensionally stable due to its hard lid and is firmly and securely closed.
